Skills solutions for the future

● We need to
TRAIN
ourselves

to understand
better young people's
motivations

● **ASSESSMENT
TOOLS**
beyond TVET

● **PREPARE FOR THE FUTURE:**
Youth need to
EXPERIENCE
rather than
BE TOLD

● **COMPETITIONS
CAN BETTER
CONNECT**
employers and
youth

● School-to-work transition:
PARENTS need to be re-educated &
CHILDREN need to be well informed

● STRENGTHEN DATA INFRASTRUCTURE about labor opportunities

● ENCOURAGE internationalization at an early age

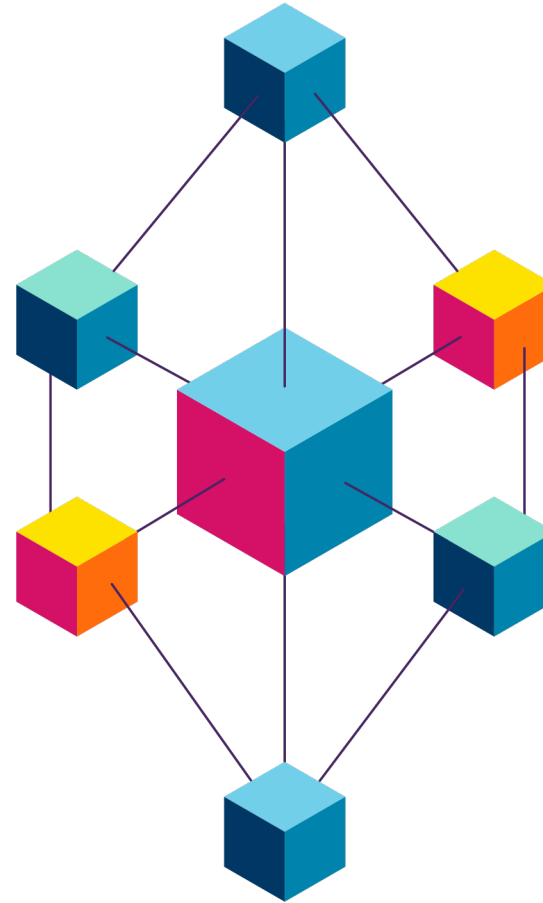

● AUTOMATION creates SKILLS opportunities
