Please note: It is the participants responsibility to ensure they have appropriate plug-ins and adapters where necessary, including Competitors for their skill tools.

Public transport

All package holders will receive a travel card that allows them to travel in Helsinki region as much as they want during their stay. The public transport system in Helsinki is safe to use and often the fastest way to get around the city.

With the travel card, participants are able to take the train from the airport to **Pasila Railway Station** (see picture below) in less than 30 minutes. Pasila Railway Station is within walking distance from all three hotels, and the Competition venue. The city center of Helsinki is 5 minutes by train.

Shopping

There is a shopping centre, *Mall of Tripla*: <https://malloftripla.fi/en/>, located in conjunction with the Pasila Railway Station. It has more than 250 shops and restaurants, of which at least two stores, *Clas Ohlson* and *Prisma*, offer hardware products.

Taxis

Taxis can be ordered by phone, from taxi stands or hailed from the street. Taxi stands can be found throughout the city centre, for example outside Helsinki Central Station and Pasila station. Taxis are available whenever the yellow light on the roof is on. The journey between Helsinki Airport and Pasila by taxi takes approximately 20 minutes and costs around €45.
