

Acknowledgement of Technical Delegate's role and responsibilities

I, _____, acknowledge, as the newly appointed Technical Delegate of _____, that I have read and understood the roles and responsibilities of my position as outlined in the Competition Rules.

New Delegate training is a mandatory requirement of WorldSkills and I agree to complete the training as part of my onboarding to WorldSkills.

Role and responsibilities of the Official Delegate

- Technical Delegates, along with their country's Official Delegate, represent the Member at the WorldSkills Africa General Assembly.
- The Official Delegate, together with the Technical Delegate, hold full and overall responsibility for all persons selected to represent their nation (that is: all registered participants by the Member, who hold an official accreditation) participating in WorldSkills Africa events.
- Technical Delegates represent the Member at the Competitions Committee.
- Technical Delegates are to participate actively in the Competitions Committee work, by attending the Competition Committee meetings, upon invitation the relevant working group meetings, and the Opt-In meetings concerning Competition matters.

As per the Competition Rules

- must attend the Competition Preparation Meetings and participate in all scheduled meetings for Technical Delegates including training sessions. (CR 6.6.5)
- ensuring that all participants from their national team are registered and have access to the resources they need (CR 6.6.3, 6.6.4),
- provide their Competitors, Experts, and other accredited members of their national team (CR 6.6.3, 6.6.4) with timely information pertaining to the event.
