WorldSkills International

In recognition of the support and partnership of

FESTO

as a **Global Premium Partner** *of WorldSkills International 2025-2028*

Festo continues its partnership with WorldSkills by supporting WorldSkills Shanghai 2026 and WorldSkills Aichi 2028 for the skills competitions: Industrial Control, Industrial Mechanics, Industry 4.0, Mechatronics, Renewable Energy, and Water Technology, as well as other elements of the event including Try-a-Skills and the WorldSkills Conference.
